Hi Folks,

Thanks for attending our meeting today and for all of your informative and helpful comments * !
Today's timeslot looks like it will work for next week, too, so we'll try that and see if it is good for
everyone.  As long as Ed can make it, I think we can use his Conference Line/Code / Ex. 6

I'll send out the minutes as soon as possible.

No chocolate rabbits to look forward to this week, but if anyone is running low on pine pollen, we could
put a basket of it in the mail * .

Thanks!

Colleen
